For K-12 Educational Facilities please review the [Local School Construction Enforcement List](#). This information is updated regularly due to changes in the construction code enforcement authority as they may be conducted by either the state, county, or local unit of government. A permit application must be submitted to the appropriate enforcing agency based upon these lists. Permit applications should be sent to the address on the first page of this application. Questions regarding issued permits may be directed to bccpermits@michigan.gov or 517-241-9313.
